

The Youth Are On Fire! Logan Denen, Ivy Denen, and more

This is a presentation about how youth are currently involved in every day church activities, how to get more youth involved in the church, and personal stories from youth about their involvement and hope for the future of the church.

Ivy Denen-- Hello! My name is Ivy Denen and I am a sophomore at Renaissance High School. My whole life I have grown up around and with the church implemented into my life. I am a Chief Master Sergeant in the Air Force Auxiliary's Civil Air Patrol and a Girl Scout Senior with my Bronze and Silver award. My goal for this workshop is to give insight and have an open discussion with our audience about how youth and adults can connect in the church.

Logan Denen--Hello! My name is Logan Denen and I am a senior at Renaissance High School! I am the chair of the Meridian Mayor's Youth Advisory Council and I have been involved in my church for as long as I can remember. I really would like to demonstrate to other adults and youth ways to get involved in their congregations and ways for adults to help the youth get to that point!
